**PHILADELPHIA
Pennsylvania**

Welcome to Philadelphia and experience the "Birth Place" of the new Nation. Philadelphia is home to many historical and cultural attractions including Independence Hall, the Liberty Bell, the African American Museum of Philadelphia (AAMP), the Rodin Museum, and the home of Philadelphia cheesesteak.

Professional Guides will bring the Philadelphia Story to life as you travel through the streets of Philadelphia, which was the idea of Englishman William Penn. You will see where George Washington served most of his presidency and the home of the famous seamstress Betsy Ross. Climb up the "Rocky Steps" at the Philadelphia Museum of Art where the "Rocky" movie starring Sylvester Stallone was filmed. Visit the new-age shops on South Street; visit America's first zoo and the site of Benjamin Franklin's home.

Although Philadelphia is the Nation's most historical city, it offers much more with its flourishing art scene, its great restaurants and more than anything else, its friendly people.
